

# Únete con tu RAZA!

The Chicago Teamster Hispanic Caucus is a non for profit organization that is determined to aid the Hispanic Community through hard work and education.

The CTHC was initially formed by the International Brotherhood of Teamsters to empower the Hispanic Teamster Members, and to give voice to the concerns of the Hispanic community.

Through the years the Chicago Teamster Hispanic Caucus has evolved as an organization and was able to establish a Scholarship Program.

The Chicago Teamster Hispanic Caucus believes that education is the key to the future of our culture and people. The CTHC Scholarship program is solely funded by the generosity of our Teamster Locals and our sponsored events.

***We invite everyone to join the Chicago Teamster Hispanic Caucus!  
You do not need to be a Teamster Brother or  
be Hispanic as long as you are motivated and willing to help  
the Hispanic Community;  
You are WELCOME.***
